

Reinstall to Windows 11 by yourself

You can reinstall your computer to Windows 11 by yourself. Before you do that, read through <https://ju.se/en/it-helpdesk/reinstallation-new-computer/important-when-reinstalling-the-computer.html> so that you are as well prepared as possible.

Open **Software Center** from the desktop in Windows 10

Click on **Operating systems**.

Select **“1 – Windows 11 Education [...]”**

Software Center
