OVERVIEW

What is Karriärum?

Karriärum is the School of Engineering's annual **career fair**, bringing together over a hundred companies and more than a thousand students for a full day of networking, recruitment, and inspiration.

The goal of the event is to give students the opportunity to present themselves for the companies in their field, to connect and network with them. It is also a great moment for the companies to sponsor themselves and offer the students different options of collaborating with each other.

Why go to Karriärum?

This event gives you the opportunity to meet **100+ companies** in one day!
Find opportunities for **internships**, **thesis projects**, or **jobs** and make connections for your future career!
You can also get crucial information on the work field from the companies themselves and ask professionals about their own experience firsthand.

In short:

Get the chance to network with companies and have the possibility to get the work you are looking for! And if not, at least you can get a goodiebag!
