Copernicus workflow for authors within the Bibsam Agreement

Articles to be published within the agreement are already identified when a manuscript is submitted to one of the Copernicus journals.

The corresponding author selects:

1. Swedish universities, university colleges, public agencies, and research institutes

Is the corresponding author affiliated with one of the following institutions?*

The listed institutions have signed agreements with Copernicus Publications on publication charge payments (see Financial Support for Authors).

Please select	~	
Max Planck Society	-	
Münster University of Applied Sciences		
Physikalisch-Technische Bundesanstalt
