

Interactive seminar, May 14, 15.00-16.30 (UTC)

Getting the improvement habit and supporting professional identity

Welcome to an interactive seminar about a new model for strengthening improvement habits and at the same time development of professional identity. Wendy Madigosky & Linda Lewin will share new learnings and lead us in an interactive session about strengthening improvement habits and at the same time developing professional/interprofessional identity.

The seminar will be led by:

- Helena Kilander RNM, PhD Jönköping Academy for Improvement of Health and Welfare, Jönköping University
- Sofia Dahlin, MD, PhD student, Futurum Jönköping County
- Wendy Madigosky MD, MSPH, FAAFP, FNAP. Associate Clinical Professor, Department of Family Medicine. University of Colorado School of Medicine
